PRESIDENT'S CORNER

This summer season has been full of highlights as we move forward in our growth plans that I talked a bit about last month on BlogTalkRadio that you can watch [HERE](#). Our Friday 'Nine & Dine' events this past

July were highly popular so I wanted to remind members of our next two dates on August 12th and 26th. Save room for the Lobster Boil on Saturday, August 13th, a classic Maritime feast accompanied by traditional foot stompin' fiddle music.

On the Wednesday and Thursday (Sept 7th & 8th) prior to our Canada's Atlantic Cup weekend, we're pleased to be able to offer members and guests a very rare opportunity to attend a half-day Master Class Instruction by World Champion Clay Shooter George Digweed. Priority reservations are now being taken for a select number of sessions available.

Mark your calendars and I'll see you there,

Kevin Toth,
President
