

Sport Shooting

Fox Harb'r Resort Sport Shooting is for top experts and novice shooters to practice in a field that replicates waterfowls using "clay pigeons." You are certain to experience an adrenaline rush with the power of a Beretta Sport Rifle in a safe environment under the instruction of a seasoned expert. Sport Shooting is a fast-growing sport and while some participants may be experienced, we tailor your shooting experience to a level that suits each person individually. Our goal is to accelerate your learning while having fun and even creating healthy competition within large groups!

Safety: Your safety is our utmost concern. Therefore a safety talk will commence after waivers are signed. Our professionally trained guide will walk you through ear and eye protection which is provided and worn at all times, as well as the correct stance and position to avoid injury from kickback and general guidelines while on an active shooting range.

Clothing & Footwear: Wear light, breathable layers which provides essential protection from the elements while ensuring you move unrestricted. Dress for the weather. This activity is outdoors but under a shelter while shooting. Sunscreen is always a good idea!

Footwear should be comfortable and flat for stable balance - note that traction footwear is preferred (smooth sole can be difficult to ensure a steady form). Earplugs, eye protection and a fitted vest will be provided.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card, debit or cash.

*While we have indicated a minimum age of 12 years old, if a child can demonstrate the ability to safely handle the equipment and the guide has determined they have the maturity to exercise the safety procedures, they may participate in this activity.

NOTE: If at any time, the guide determines anyone regardless of age or ability, is not fit to partake in Sport Shooting, they have the right to refuse participation immediately.
